“Management is doing things right, leadership is doing the right things” Peter Drucker

In business and in life - people who have the ability to lead others will achieve more, make more money and get promoted quicker - this event shows you how...

Based on David's experience and using contemporary models and concepts this workshop gives participants a framework for Leadership to enable them to achieve more.

Dear Members, Dear Friends,

We are pleased to invite you to our upcoming evening workshop on the subject of **“Leadership or Management – what’s the difference?”**. Presented by David Holland (MBA), this engaging and informative workshop will explore the principles of Leadership in the context of innovation, change, motivation and creativity and how you can use these aspects in your life, business and with those around you...

Using contemporary concepts, client based evidence original research, you’ll learn about the force of leadership: how to come to terms with it, maintain it and get others on board.

This Workshop is designed for anyone who needs to lead People, Organisations or Groups towards the achievement of Goals and Objectives - whether professionally or personally, this is the event for you.

Registration will start at 6:00 pm and the session will begin at 6:30 p.m.
