

15.07.2017 – Echternach Lake – 15:00

The Color Run is a global initiative founded in 2011 to promote healthiness, happiness and individuality.

Once again IMA Luxembourg and Caritas Jeunes et Familles Luxembourg are proud to announce the participation of a team from Kannerhaus Yakary in Rumelange in this event.

The organisers have very kindly accorded the same preferential rates to the children's group: €9.00 for each child & €19.00 for each adult; at present there will be 10 children & 5 supervisors attending.

*It will be a fun day out for everyone involved!
So join us with your family and friends!*

If you can't attend, you can still get involved by sponsoring this event and contribute to making it a great day out for the children!
