

## After-hour tour of the art gallery "Am Tunnel"

On Thursday 8<sup>th</sup> November 2018

At Galerie d'Art Contemporain "Am Tunnel" & Espace Edward Steichen

(Spuerkeess, Bâtiment Rousegärtgen, 16 rue Sainte Zithe, L-2763 Luxembourg)

Dear Members, dear Friends,

The committee of IMA Luxembourg has the pleasure of inviting you to an **exclusive after-hour tour of the permanent exhibition of Edward Steichen and the temporary "Rock Stars" exhibition at the art gallery "Am Tunnel"**. The tour is scheduled for Thursday, 8th November 2018 at 18:00 and will be followed by a social gathering at the Hotel Park Inn by Radisson (45 Avenue de la Gare, 1611 Luxembourg) where we are kindly invited to have a drink together and to do some networking.

Located 15 meters underground, this art gallery was initially a tunnel. Indeed, in 1987, BCEE decided to dig a tunnel to link the bank's various buildings located on the Plateau Bourbon. Very soon, the idea of transforming the tunnel into an art gallery took shape, and the first exhibition took place in 1994. The tunnel is 15 meters underground and some 350 meters long. The main part is occupied by the Contemporary Art Gallery "Am Tunnel", hosting temporary exhibitions comprising works by both internationally renowned artists and lesser-known talents.

The remaining part of the tunnel is dedicated to the world-famous photographer Edward Steichen, particularly renowned for his exhibitions "The Family of Man" and "The Bitter Years". The Edward Steichen Area hosts a permanent exhibition displaying part of the artist's significant body of work, and offers a nice addition to the permanent exhibition in Clervaux.
